## ATRIUM SAFETY IMPROVEMENTS

SECTION

ATRIUM PLAN

The WH Atrium Safety Improvements Project is being constructed as a solution to the safety issues present in the Central Atrium and the full height Atrium East and West stairways .

### PHASE ONE

West stairs and west side of atrium closed beginning October 3, 2011 through January 31, 2012 (approx).

### PHASE TWO

East stairs and east side of atrium closed beginning February 1, 2012 through May 14, 2012 (approx).
