

Pre-qualified List Adopted, March, 2016

The following categories of actions initiated by requisition are pre-qualified and do not require any further environmental review.

- Purchase of supplies or equipment used in the performance of routine work (including tools, chemicals previously reviewed, office furniture and/or electronics that do not require construction)
- Change orders that do not require significant modification of scope, or that are covered by a prior NEPA determination
- Routine administrative, financial, or personnel actions (e.g., travel authorizations, leave requests, etc.)
- Funding credits to Fermilab
- Technical support/personal service contracting or procurement (e.g., office equipment servicing and/or installation).
